

SMART HOME

AL LILAC – PERSONALISE YOUR HOME

HOME AUTOMATION

Revel in a flawless living experience with our high-tech home automation system. Through the customer-friendly App from Legrand you will have remote access and programming control of the following functions:

- Video intercom system with 7" ground and first floor touch screens
- Connected intercom system to maid's and driver's room (if selected)
- Temperature management via intelligent thermostats
- Lighting On/Off and dimming
- Motion detection (outdoor entrance)
- Garage door control (customer connection provision only)
- Window blind/curtain control (provision only)

EFFICIENT AIR CONDITIONING

Upgrade your home's air-conditioning system to VRF (Variable Refrigerant Flow) and enjoy a host of benefits:

- Substantial energy savings and therefore lower power bills
- Greater room/zone temperature control
- Consistent comfort
- An extremely quiet environment
- Fewer breakdowns and less downtime
